## ECF PROCEDURE 1      SCOPE OF ELECTRONIC FILING

(a) **Short Title.** The Southern District of Ohio Administrative Procedures for Electronic Case Filing may be abbreviated as the “Procedures” or, individually, as “ECF Procedure \_\_\_\_” and are available in their current version on the Court’s website: [www.ohsb.uscourts.gov](http://www.ohsb.uscourts.gov).

(b) **Definitions.** These Procedures use the term “**Electronic Case Filing System (ECF)**” to refer to the Court’s system that receives documents filed in electronic form. Paper filing is referred to as “**Conventional Filing.**” The term “**Filer**” refers to any entity, with an approved login and password, registered to use the ECF system under ECF Procedure 2(a). The term “**User**” refers to any entity, with an approved login and limited password, registered for restricted use of the ECF system under ECF Procedure 2(b).

(c) **Electronic Filing Effective Dates.** Beginning January 1, 2004, the Court will accept for Electronic Case Filing all documents filed in compliance with these Procedures, except proofs of claim which shall continue to be filed conventionally. Effective July 1, 2004, all pending cases and all cases filed thereafter are assigned to ECF, and the Court will accept only documents filed in compliance with these Procedures, unless an entity, upon motion, obtains a specific order authorizing the particular document to be filed conventionally, except that proofs of claim may be filed conventionally.

(d) **Conventional Filing Authorized.** The following documents shall be filed conventionally:

- (1) documents under seal in compliance with ECF Procedure 6;
- (2) documents filed by *pro se* debtors;
- (3) Court hearing transcripts, if ordered by the assigned judge;
- (4) all proofs of claim filed by entities who are neither Filers nor Users; and
- (5) other limited documents or filings, if ordered by the assigned judge.

## ECF PROCEDURE 2      REGISTRATION, WAIVER OF NOTICE AND SERVICE BY MAIL AND CONSENT TO ELECTRONIC NOTICE AND SERVICE AND WITHDRAWAL FROM ELECTRONIC FILING SYSTEM

(a) **Required Registration Procedure for Filers.** The following entities shall register as Filers in the Court’s ECF system: (1) attorneys admitted to practice in the United States Bankruptcy Court for the Southern District of Ohio, including those admitted *pro hac vice* (LBR 2090-1); (2) case trustees and examiners; (3) Assistant United States Trustees; (4) Assistant United States Attorneys; and (5) other entities the Court determines appropriate. In order to register as a Filer, an entity must complete a registration form (ECF Form 1 – FILER

REGISTRATION or ECF Form 1a – *PRO HAC VICE* FILER REGISTRATION) and an authorization form (CREDIT CARD BLANKET AUTHORIZATION FORM) for credit card billing for all fees. A Filer shall receive ECF training in order to be assigned a Filer login and password, unless the Filer has otherwise qualified in compliance with these Procedures. Members of a Filer's staff are encouraged to participate in ECF training, but will not receive a separate login and password. The original signed Filer registration forms (ECF Forms 1 and 1a) and credit card blanket authorization form shall be returned to the Court at United States Bankruptcy Court, ATTN: ECF Registration, 120 West Third Street, Dayton, Ohio 45402-1819.

**(b) Required Registration Procedure for Users.** The following entities shall register as ECF Users: (1) entities authorized to appear on behalf of a child support creditor; (2) entities authorized to file applications to withdraw unclaimed funds; (3) entities authorized to submit reaffirmation agreements; and (4) entities authorized to submit notices of transferred claims. Any entity, including entities who file proofs of claim, may register as a User, but all proofs of claim must be filed conventionally until July 1, 2004. In order to register as a User, an entity must complete a registration form (ECF Form 2 – USER REGISTRATION), and if any payment of fees is required, shall be required to complete an authorization for credit card billing for all fees (CREDIT CARD BLANKET AUTHORIZATION FORM). A User shall receive ECF training in order to be assigned a User login and password, unless the User has otherwise qualified in compliance with these Procedures. Members of a User's staff are encouraged to participate in ECF training, but will not receive a separate login and password. The original signed User registration form (ECF Form 2) and credit card blanket authorization form shall be returned to the Court at United States Bankruptcy Court, ATTN: ECF Registration, 120 West Third Street, Dayton, Ohio 45402-1819.

**(c) Login and Password.** After the Filer or User Registration Form is processed and training is completed, or an entity has otherwise qualified in compliance with these Procedures, the Court will send an email message notifying the Filer or User of the login and password assigned. The email message ensures that the Filer or User has a properly functioning email address which will be used by the Court's ECF system.

**(d) Password Security.** Every Filer or User is required to protect the security of the assigned password. If there is any reason to believe the security of the assigned password may have been compromised, the Filer or User must immediately notify the Information Technology Department by email addressed to [ECFHelpDesk@ohsb.uscourts.gov](mailto:ECFHelpDesk@ohsb.uscourts.gov) and by telephone to the clerk at (937) 225-2516. A Filer or User may be subject to civil liability, Court sanctions or other consequences for failure to take required action in connection with the security of the assigned password.

**(e) Electronic Notice And Service: Request, Waiver and Consent.** Registration as a Filer or User constitutes waiver of the right to personal service or first class mail service. Registration as a Filer or User also constitutes a written request for, and consent to, electronic service via receipt of a "Notice of Electronic Filing" from ECF of all filed documents to which the Filer or User is entitled, except with regard to a summons and complaint under Rule 7004 or an initial motion under Rule 9014 (LBR 7004-1).

**(f) Withdrawal as Filer or User.** A Filer must file a motion and a User must file a written request with the clerk and, in all circumstances, obtain a Court order authorizing withdrawal from ECF.

**(g) Suspension or Revocation of Use.** The Court, upon notice and opportunity for hearing, may, for cause, enter an order suspending or revoking participation in ECF by any Filer or User. Further, the clerk, upon information received, which indicates potential risk or harm to ECF, may, without prior notice, temporarily suspend participation in ECF by any Filer or User, and shall provide prompt notification of such action to the Filer or User.

### **ECF PROCEDURE 3            CONSEQUENCES OF ELECTRONIC FILING**

**(a) Filing and Entry on the Docket.** Once electronic transmission of a document to ECF, consistent with these rules, has been received by the Court, the document has been filed for all purposes required by the Federal Rules of Bankruptcy Procedure and the Local Rules of this Court and is entered upon the docket kept by the clerk under Rule 5003.

**(b) Official Record.** When a document has been filed through ECF, the official record is the electronic recording of the document as stored by the Court, and the filing party is bound by the document as filed. Except in the case of documents first filed conventionally, a document filed through ECF is deemed filed at the date and time stated on the Notice of Electronic Filing from the Court.

**(c) Filing Date and Time.** Filing a document electronically does not alter the filing deadline for that document. Unless otherwise ordered, filing must be completed before midnight local time where the Court is located in order to be considered timely filed that day.

**(d) Appropriate Title of ECF Documents.** A Filer or User electronically filing a pleading or other document shall be responsible for designating the appropriate title for that pleading or other document by selecting among the categories provided through ECF.

**(e) Corrections.** In the event that a docket entry must be corrected, the clerk's office will notify the Filer or User of the deficiency.

### **ECF PROCEDURE 4            COURT ORDERS**

**(a) Entry of Orders.** The clerk shall enter all orders and judgments in ECF, which shall constitute entry on the docket kept by the clerk under Rules 5003 and 9021. The electronic signature of the Court or the entry on the docket of an order governed by LBR 9021-1 shall have the same force and effect as if manually signed and docketed as a Conventional Filing.

**(b) Submission of Proposed Orders.** Unless otherwise ordered by the Court, if the proceeding upon which an order is to be entered is other than a motion or objection of a kind to which LBR 9021-1 applies, after the expiration of the time period permitted for a response, if there has been no timely-filed response, the movant, within seven (7) days, shall submit a proposed order as a separate document through the Court's ECF electronic order upload system. Orders determining matters after hearing shall be submitted pursuant to LBR 9072-1.

**(c) Determination of Proposed Orders.** If the Court declines to sign the proposed order as submitted, the Court may enter its own order or may direct that counsel submit the proposed order in a word processing format, created by Microsoft Word or Corel WordPerfect, such that the proposed order is capable of being edited by the Court and subsequently entered upon the docket.

## **ECF PROCEDURE 5          FILING FORMAT REQUIREMENTS**

**(a) Definitions.** “**Electronically Generated Text**” is text generated by printing to Portable Document Format (PDF) from the original word processing file, so that the text of the document may be searched and copied. “**Scanned Material**” is an electronic image of text or other material in PDF format produced by a scanning or imaging process.

**(b) PDF Requirements.** All documents transmitted to ECF shall be Electronically Generated Text in PDF format so that the text of the document may be searched and copied, except as provided in subsection (c) below.

**(c) Attachments, Exhibits and Other Documents.** All attachments, exhibits and other documents not available as Electronically Generated Text (i.e., those that must be scanned) shall be transmitted to ECF as Scanned Material in PDF format.

**(d) Size Limitations Per Transmission.** Each transmission to ECF shall not exceed two (2) megabytes total file size. Files which exceed two (2) megabytes shall be broken into smaller files and transmitted to ECF in multiple transmissions.

## **ECF PROCEDURE 6          FILING OF DOCUMENTS UNDER SEAL**

**(a) Definition.** A document filed under seal is a document which a court has ordered to be sealed.

**(b) Filing Requirements.** Unless otherwise ordered by the Court, a motion to file a document under seal shall be filed electronically. The motion shall not contain confidential or privileged information. The order authorizing the filing of a document under seal shall be filed electronically unless otherwise prohibited by law. A document ordered to be filed under seal shall be filed with the clerk both in paper form and on diskette, compact disc (CD), or digital

video disc (DVD) in PDF and accompanied by a paper copy of the Court order authorizing the paper filing.

**(c) Protection of Privacy Interests.** Any entity may file a motion seeking an order limiting electronic access to or prohibiting the electronic filing of certain specifically identified materials on the grounds that such material is subject to protected privacy interests and that electronic access or electronic filing of those materials is likely to prejudice those privacy interests. If the Court determines that access should be limited or that electronic filing would unduly prejudice those privacy interests, then the materials shall be filed as ordered by the Court. The Court order determining access to or prohibiting the electronic filing shall be filed electronically.

## **ECF PROCEDURE 7      RETENTION REQUIREMENTS**

**(a) Retention of Original Signatures.** Petitions, lists, schedules, statements, amendments, pleadings, affidavits and other documents that must contain original signatures or that require verification under Rule 1008 or an unsworn declaration as provided in 28 U.S.C. § 1746 shall be filed electronically by Filers and Users. The document containing the original signature must be retained by the Filer or User who files such a pleading, document or other paper for four (4) years after the closing of the case or proceeding. This retention does not affect or replace any other retention period required by other applicable laws or rules.

**(b) Sanctions; Production of Original Documents.** Failure to maintain such documents for the specified period shall subject the Filer or User to sanctions, including, without limitation, disgorgement of fees. On request of the Court, the Filer or User must provide original documents for review.

## **ECF PROCEDURE 8      SIGNATURES**

**(a) Electronic Filing Constitutes Signature.** The transmission by a Filer or User to ECF of any document constitutes any required signature of that Filer or User on such document. The Filer need not manually sign a transmitted document. The transmission is the equivalent of a signed paper for all purposes, including, without limitation, the Federal Rules of Bankruptcy Procedure, including Rule 9011, the Bankruptcy Code, and the Local Bankruptcy Rules of this Court.

**(b) Electronic Filing Constitutes Certification.** The transmission by a Filer or User of any document constitutes certification of the Filer or User that all persons other than the Filer or User indicated to have signed the document have actually executed an original prior to electronic filing with the Court.

**(c) Use of Password.** No Filer or User may knowingly permit or cause to permit a Filer's or User's password to be used by anyone other than an agent specifically authorized by the Filer or User.

**(d) Form of Electronic Signatures.**

**(1) Required Information for Filers and Users.** A document transmitted to ECF shall include a signature block setting forth the Filer's or User's name, complete address, telephone number, fax number, email address, and the Filer's state bar registration number and firm affiliation, if applicable, preceded by a signature line on which is typed "/s/ Name" where the Filer's or User's signature would otherwise appear in a signed document.

**(2) Required Information for Other Entities.** A document transmitted to ECF requiring or containing signatures of entities who are not Filers or Users shall either (a) show an image of such signature as it appears in the original signed document, or (b) bear the name of the signatory preceded by "/s/ Name" typed in the space where the signature would otherwise appear in a signed document, accompanied by the signature block information recited in subsection (d)(1) above.

**(3) Multiple Attorney/Party Signatures.** A document requiring or containing signatures of more than one entity or counsel shall contain the signature information recited in subsections (d)(1) and/or (d)(2) above. The party transmitting the document shall demonstrate all required consents have been obtained.

**ECF PROCEDURE 9      SERVICE ON FILERS, USERS AND OTHERS**

**(a) Service Upon Filers and Users.** Pursuant to the consent of the Filer or User in ECF Form No. 1, ECF Form No. 1a, and ECF Form No. 2:

**(1)** the transmission from the Court to a Filer or User of the "Notice of Electronic Filing" of a pleading or other document constitutes notice and service of the filed document upon that Filer or User, except that paper copies of a summons and complaint under Rule 7004 or the initial motion under Rule 9014 must be served in accordance with those Rules to effectuate service;

**(2)** service of a document filed through ECF is complete upon ECF's transmission of the "Notice of Electronic Filing"; and

**(3)** when there is a right or requirement to do some act or undertake some proceedings within a prescribed period after service, the additional three days created by Rule 9006(f) shall apply.

**(b) Service Upon Others.** Any entity who has not registered as a Filer or User shall be served according to the Federal Rules of Bankruptcy Procedure and any applicable Local Bankruptcy Rules.

## **ECF PROCEDURE 10      NOTICE OF COURT ORDERS AND JUDGMENTS**

**(a) Notice to Filers or Users.** Immediately upon the entry of an order or judgment in a case, including an adversary proceeding, the clerk shall electronically transmit to all Filers and Users who represent contesting parties in the case and to such other Filers and Users as the Court shall direct, a Notice of Electronic Filing. Electronic transmission of the Notice of Electronic Filing constitutes the notice required by Rule 9022 and service shall be deemed complete upon transmission.

**(b) Notice to Others.** Immediately upon the entry of an order or judgment in a case, including an adversary proceeding, the clerk shall give notice to contesting parties in the case who are neither Filers nor Users, and to such other entities as the Court shall direct, in accordance with the Federal Rules of Bankruptcy Procedure.

## **ECF PROCEDURE 11      TECHNICAL FAILURE**

A Filer or User whose ECF filing is made untimely as a result of technical failure may through motion seek appropriate redress from the Court.
